

## 2 METER NET PREAMBLE

CQ CQ CQ this is the 2 meter net of the Sheboygan County Amateur Radio Club. This net meets each Monday evening at 2000 hours or 8:00 PM local time. Your net control station this evening is; (your callsign.) My name is; \_\_\_\_\_. We will accept any traffic for this area and will try to assist any mobiles passing thru the area. Everyone is invited to check in for a social get-to-gether.

### NET PROCEDURES

1. We will first take a stand-by for anyone with emergency or priority traffic. (pause)  
(if any, process as soon as possible)
2. We will now take a stand-by for any mobiles passing thru the area. (pause)  
( if any, assist if possible)
3. We will now take a stand-by for any local mobiles and those who are on short time. (pause)
4. Finally we will take a stand-by for anyone with or without traffic. (pause)
  - a. Ask for check-in by prefix W9-K9-WA9-WB9 etc. (this is the net control operators option.)
  - b. If no traffic is passed, proceed to a 2nd go-around.
  - c. Take a stand-by periodically for additional check-ins.
  - d. When there is no further traffic or comments, clear the frequency for general communications by declaring the net closed at \_\_\_\_\_. (state the time)
  - e. Net control station should maintain complete control at all time. All inquiries should be directed to the net control operator for proper channeling to other parties.
